Dear Stephanie,

**Request for suspension of securities from quotation pursuant to ASX Listing Rule 17.2**

Pursuant to ASX Listing Rule 17.2, Phoslock Water Solutions Limited (PHK) requests that a suspension from quotation be granted by the Australian Securities Exchange (**ASX**) in respect of its securities with effect immediately.

For the purposes of ASX Listing Rule 17.2, and in support of its request, PHK advises that:

1. PHK requested a trading halt on Monday 4<sup>th</sup> April pending an announcement by PHK relating to a material agreement in China. This agreement is currently being finalised together with an appropriate announcement to both stock exchanges (ASX in Australia and relevant exchange in China) on the same day. Given that Monday 4<sup>th</sup> April was a public holiday in China and the agreement is in both Chinese and English, further time is required to finalise the agreement and announcements;
2. it requests the suspension of its securities from quotation to remain in place until such time as the Company is able to make an announcement to the market about the agreement, which is expected to be no later than the commencement of trading on Monday 11<sup>th</sup> April 2016; and
3. it is not aware of any reason why the suspension of its securities from quotation should not be granted or any other information necessary to inform the market about the suspension.

Yours sincerely,
