ASX ANNOUNCEMENT

Thursday 13th December, 2007.

Sale to Indian Aquaculture Services Company

PWS has made its first sale of 21 tons to a major Indian aquaculture services company. This company provides consulting services and distributes a number of established products to aquaculture companies on the east coast of India.

This company will be appointed on a non exclusive basis as PWS distributor for the Indian market. This market has approximately 100,000 farmers producing in excess of 150,000 tons of product per annum for domestic and international markets.

PWS's Managing Director commented that momentum is building strongly with prawn growing companies to incorporate Phoslock into their application procedures. PWS is now working with industry leaders in Indonesia, Malaysia, India and Australia.
